

NEFR & MAAA Nats Program

Five days of flying our electric projects at Cootamundra

At Easter 2009 the National Electric Flight Rally and MAAA Nationals are being run in conjunction. The first two days of Easter are the NEFR fun events with four rounds of Limited Electric Glider; the next two days are the MAAA Nationals including LEG, Open Electric Glider, F5B Electric Glider. The Tuesday after Easter is Electric Old Timer as part of the NEFR. See the program below:
